Andrew Leasure (to Everyone): 2:00 PM: Good morning, guys.

Andrew Leasure (to Everyone): 2:01 PM: Is there a way to show all in attendance at once? I'm only seeing the speaker.

Tom Jensen (to Everyone): 2:01 PM: We're all going to be super embarrassed when we find out Heath is pastoring a church for the mute.

Heath Jarrett (to Everyone): 2:02 PM: I'm the pastor in Chico, CA (norCal). I've been the pastor for about 6 months.

Andrew Leasure (to Everyone): 2:02 PM: Tx phil...is there a different set up for android?

Keith Minier (to Everyone): 2:03 PM: Christians use Apple products.

Andrew Leasure (Private): 2:03 PM: Ty

Tim Hodge (to Everyone): 2:05 PM: I am a lost soul then... :-(

RB NewHD (to Everyone): 2:16 PM: I'll pray for you Tim, as I type on my Mac.

Heath Jarrett (to Everyone): 2:19 PM: The Wildfire hit us hard in 2018, then the transition of the pastorate which followed in mid 2019. We're facing layoffs of staff at the moment.

Tom Jensen (to Everyone): 2:20 PM: Are you using backing tracks?

Heath Jarrett (to Everyone): 2:21 PM: There is a broadcast license available for internet streaming through CCLI for music that's not in the public domain.

Pete Forshtay (to Everyone): 2:21 PM: We're using Ecamm Live this Sunday, live-streaming on Facebook.

It costs about \$240 a year.

What's the free one from Life.Church?

Andrew Leasure (to Everyone): 2:22 PM: Do you guys have any advice for how to do worship music for a church that doesn't have a worship team--we don't even have a guy with a guitar for solo worship? Right now we just link YouTube videos on an earlier FB post.

Weston Lundgren (to Everyone): 2:23 PM: Our facebook traffic is up

%850 over last week.

Tom Jensen (to Everyone): 2:24 PM: Andrew, what are you doing for music on any given Sunday?

Timothy Sprankle (to Everyone): 2:24 PM: Here's the one from Life.Church: <https://churchonlineplatform.com/>

Andrew Leasure (to Everyone): 2:24 PM: engagement with the older generation is suffering because they don't use social media or anything through Internet. Phone calls can only go so far for us here.

Keith Minier (to Everyone): 2:24 PM: Andrew - Feel free to use the video sets we have made and recorded. You can't get the links for those.

Andrew Leasure (to Everyone): 2:24 PM: Tom Jensen, we have a few ladies sing to youtube tracks

William Glass (to Everyone): 2:24 PM: Being a small church I am also calling everyone checking on them and praying with them

Liz Gates (to Everyone): 2:25 PM: Information on copyright and using music streaming in a service:

<https://us.ccli.com/ccli-news/five-questions/>

Tom Jensen (to Everyone): 2:26 PM: Andrew, I'd just stick to YouTube videos personally.

Heath Jarrett (to Everyone): 2:26 PM: lots of emails from the elders. Each elder is spacing out communication to try to get something out every day.

Heath Jarrett (to Everyone): 2:27 PM: small groups are cancelled on our end

Timothy Sprankle (to Everyone): 2:29 PM: Most encouraging aspect for me so far is watching people from our church take care of each other and their neighbors. Main theme of the crisis so far: the mission of the church takes all of us.

Tim Hodge (to Everyone): 2:29 PM: I have been sending out texts to many in the church and then having text chats back and forth with many different families. It has been great as people have expressed appreciation for the direct reach out.

Erik Jensen (to Everyone): 2:30 PM: Hey, Love you guys! praying for ya, i have to jump off but I wanted to let you know that if you are struggling with worship music issues or releasing other content like podcasts or similar, i'd be happy to help! erik@renewchurch.ca

Weston Lundgren (to Everyone): 2:30 PM: We are collecting food and diapers for crisis pregnancy and soup kitchen. Looking into sewing face masks to be sterilized for use at the hospital and care homes.

Dan Thornton (to Everyone): 2:30 PM: Our community has seven churches serving as drop-off and pick-up sites for food and other special needs. We are one of those churches.

Weston Lundgren (to Everyone): 2:31 PM: Our area churches are having an easter egg hunt. Families color and place a paper egg in the window and then other families can drive around town pointing out the eggs that they see.

Pete Forshtay (to Everyone): 2:31 PM: Just basically telling everyone to check with their neighbors. If anyone is in need of supplies and you have em, give em up freely.

Dan Thornton (to Everyone): 2:31 PM: Question: What technology do you find helpful in working together with your staff?

Weston Lundgren (to Everyone): 2:32 PM:

Pete Forshtay (to Everyone): 2:32 PM: Ecamm Live. We're not risking getting together to film a worship service, so we're having eveyone join in from Skype

Barb Wooler (to Everyone): 2:40 PM: Please contact me (Barb Wooler) if you have needs or opportunities for outreach: 574-453-6479

Barb Wooler (to Everyone): 2:42 PM: Barb Wooler:
bwooler@encompassworld.org

Timothy Lansing (to Everyone): 2:46 PM: for smaller churches with little to no budget for livestreaming costs, I have been playing around this week with a free platform (typically used by gamers), but I will probably be using it this Sunday for our live stream is Open Broadcaster Software

(obsproject.com) ... simple platform but allows for including slides and videos into your livestream.

Heath Jarrett (to Everyone): 2:49 PM: OBS works good as free encoder. We're using it.

Rex (to Everyone): 2:52 PM: I got to run guys! praying for you all. thanks for what you are doing.

William Glass (to Everyone): 2:52 PM: Thank you for all your ideas and praying for each other. Praying that Easter is the first day we can gather together and the first group activity we are free to do is worship God!

William Glass (to Everyone): 2:53 PM: Can't think of a better way to glorify God is all of this.

Liz Gates (to Everyone): 2:53 PM: If you have specific stories of what God is doing in your congregation through this, please let me know so we can share on GraceConnect.

William Glass (to Everyone): 2:54 PM: My courshin and his family listened to our radio stream on Sunday! Very encouraged and this allowed me to lead them in worship through my radio sermon.

Liz Gates (to Everyone): 2:56 PM: lcgates@bmhbooks.com

Weston Lundgren (to Everyone): 2:57 PM: We've been using OBS as well with mixed results

Timothy Sprankle (to Everyone): 2:57 PM: Thanks for organizing this! I appreciate the connections.

Tom Avey (to Everyone): 2:57 PM: I will post a transcript of this chat online

Brad (to Everyone): 2:58 PM: This has been helpful. The most helpful part is to look to the future and how to reach out to the community during Covid-19

Jonathan Damon (to Everyone): 2:58 PM: We've challenged the church family to PRAY every day at 4:06 PM. [Philippians 4] This week, we are ADDING a brief FB Live from either a staff member, or from ministry leaders, to provide a forum through the week for people to connect.

Andrew Leasure (to Everyone): 2:58 PM: Thanks a lot, everyone God Bless.

Tom Avey (to phil sparring): 3:04 PM: Phil - I need step away to make a phone call.
